HOW TO ORDER

Every item on request. Clear units, one quotation.

Solvion supplies on quotation. No prices are published: you receive a written offer for your exact quantities, destination and timing. Ordering units are shown with every product in this catalogue.

01

Choose

Select the items and variants you need. Every size, colour and volume can be requested separately.

02

Specify

State quantity and ordering unit: per piece, per carton or per full pallet, as listed in this catalogue.

03

Request

Send your list to procurement@solvion-group.com or upload it on solvion-group.com. Product lists and tenders are welcome.

04

Receive

You receive a Solvion quotation with unit prices, delivery terms (Incoterms), lead time, payment terms and validity.
